

THE CANDLE

STUDIO EXPERIENCE

BY MIA LIFESTYLES

A one on one candle studio experience, offering a personal tutorial designed to help you create a custom candle from concept to execution. This will be guided by a Master Craftsman, with years of experience in the industry.

ABOUT

LEARN . CREATE . ENJOY.

Anyone who would like to learn the concept to create their own custom candle, while having fun!

The studio experience is limited to two persons at a time. It's the ideal activity for friends, teens, couples, or even a mother and daughter bonding experience. The package is also available to be gifted to someone special.

**WHO IS THE
EXPERIENCE
DESIGNED FOR?**

HOW LONG
IS THE
STUDIO
EXPERIENCE?

One hour.

WHAT CAN I EXPECT?

A brief walkthrough of the candle making experience, before the one on one guided activity commences.

Tips and Tricks will be given throughout the experience, with knowledge on how to care for your candle and what to look for when purchasing your next candle.

WHO IS THIS EXPERIENCE NOT CREATED FOR ?

This is not a candle making workshop, but an activity to explore your creativity, with a one on one guided experience.

If you are hoping to use your knowledge from this studio experience to create and retail your own candles, this is not for you. Trade secrets and suppliers are all confidential to MIA Lifestyles.
